

Company Fact Sheet

Description	SkyWater (NASDAQ: SKYT) is a U.S.-based semiconductor manufacturer and a DMEA-accredited Category 1A Trusted Supplier. SkyWater's Technology as a Service model streamlines the path to production for customers with development services, volume production and heterogeneous integration solutions in its U.S. facilities. This pioneering model enables innovators to co-create the next wave of technology within diverse categories including mixed-signal CMOS, ROICs, rad-hard ICs, MEMS, superconducting ICs, photonics and advanced packaging. SkyWater serves the growing markets of aerospace & defense, automotive, biomedical, industrial and quantum computing. For more information, visit: www.skywatertechnology.com .
Markets Served	The company serves customers in the growing markets of aerospace & defense, automotive, biomedical, industrial and quantum computing.
History	SkyWater was formed in 2017 with private equity backing from Oxbow Industries to purchase Cypress Semiconductor's 200 mm fab in Bloomington, Minnesota. In January 2021 SkyWater announced its new advanced packaging facility in Kissimmee, Florida. In April of that same year, SkyWater completed an initial public offering (NASDAQ: SKYT).
Headquarters SkyWater Minnesota	2401 East 86 th St., Bloomington, MN 55425
SkyWater Florida	194 NeoCity Way, Kissimmee, FL 34744
Facilities	<p>SkyWater's Minnesota facility (SWMN) manufactures 200 mm wafers in its 91,000 ft² of cleanroom space. In October of 2020, an expansion funded by the DOD was completed which added tooling to support Cu interconnect processing and increase throughput. The SkyWater facility is certified to ISO Quality Standards for Automotive, Medical and Environmental.</p> <p>In January 2021, SkyWater took over operations at the Center for Neovation in Kissimmee, Florida (SWFL), to provide heterogeneous integration services. That facility offers 35,000 ft² of clean room space. SkyWater partners with BRIDG, a non-profit organization created to focus on advanced research, development, and manufacturing for next generation microelectronics.</p>

Key Value SkyWater’s unique Technology as a Service (TaaS) model streamlines the technologist’s journey from concept to production.

Capabilities The company offers differentiated process technologies, IP security and ownership, customization, an on-demand transaction model and design-enabled manufacturing for mixed-signal CMOS, rad-hard and ROIC solutions. SkyWater’s Advanced Technology Services support the development of superconducting, photonic and MEMS devices. SkyWater’s Wafer Services capabilities produce highly manufacturable chips, delivering industry standard yields, predictable cycle times, and very robust quality and reliability — accelerating customers’ time to market.

Certifications

- SWMN ISO9001 Quality Management, AS9100/IATF16949 Automotive, ISO13485 Medical, AS9100 Aviation, Space and Defense, ISO14001 Environmental, DMEA Cat1A Trusted
- SWFL ISO9001 Quality Management, DMEA Cat 1A Trusted

Workplace ~750 employees

Leadership

- Thomas Sonderman CEO & Director
- John Sakamoto President & COO
- Steve Manko CFO
- Brad Ferguson Chief Government Affairs Officer & SVP, Special Programs
- Chris Hilberg Chief Legal Officer & General Counsel
- Paul Sura EVP, Technology & Manufacturing Operations
- Ross Miller SVP, Commercial and A&D Business
- Laura Lorenz SVP, Human Resources
- Sudhakar Adivikolanu SVP, Supply Chain and Information Technology

Board of Directors

- Gary Obermiller Chairman of the Board, Co-founder & Operating Partner of Mill City Capital
- Edward Daly Founder Daly Consulting & Logistics; U.S. Army General (retired)
- Nancy Fares Strategic Advisor and Board Member with Olarm
- Dennis Goetz CFO of Pohlads Companies
- Greg Graves CFO of Entegris, Inc. (retired July 2023)
- Joseph Humke EVP, General Counsel and Corporate Secretary of Graco, Inc.
- Amy Leong SVP, Chief Commercial Officer, Mergers & Acquisitions and GM of Emerging Growth business unit of FormFactor, Inc. (2017 – 2023)
- Thomas Sonderman CEO of SkyWater Technology
- Loren Unterseher Managing Partner of Oxbow Industries, LLC
